

Text to Give

You don't need to be a Team Captain or Walker to help fundraise for NAMI Connecticut

Text to Give is an easy way to fundraise for the NAMI Connecticut Walk. You can share this donation option with everyone you know!

How it works:

- Donators making a general donation to the Walk should text the key word ctwalk and an amount to 50155 - keyword \$ (space between keyword & amount)
- They will get a link via text to complete the donation

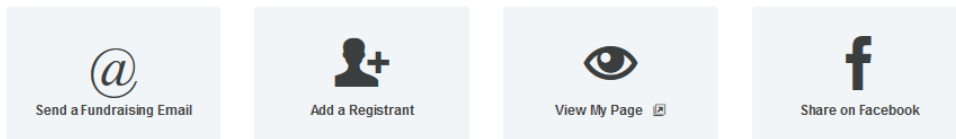

Team Captains and Walkers

Setting up Text to Give

- Log into the Walk site and you will be directed right to your dashboard
- Scroll down just a little down the page until you see Get the Word out
- You will see a Links tab and a Texting tab

Get the Word Out

Providing easy access to your fundraising page is a great way to increase donations.

- Click on the Texting tab
- The keyword is ctwalk (keyword is not case sensitive and has no spaces)
- The 1st option is your personal text code – click edit text code, enter your name, initials, etc. to identify yourself (i.e., I used irisa) – these donations go directly to your personal page

- 2nd option is your Team text code – click edit text code, enter your team name to identify your team – these donations go to your team page
